Federation Matching #GivingTuesday Donations for Puerto Rico

In honor of #GivingTuesday, the Federation put out the call to our members, partners and friends to rally around the credit unions and cooperativas affected by Hurricane Maria by making a donation to the relief fund set up by the Federation and New York Credit Union Foundation specifically to support CDCUs in Puerto Rico. And the response has been phenomenal.

The Federation has pledged to match all donations up to \$10,000 made to the #GivingTuesday fund **through November 30, 2017**. 100 percent of every dollar raised will go directly to the credit unions and cooperativas in Puerto Rico who need our help the most. We are well on our way to achieving our goal, but we need your help to get us all the way there! [Click here for details.](#)
