Postponed: This Week's Inclusiv Town Hall

Join us again next Tuesday, May 5th at 1:15 PM ET!

Given that PPP 2.0 got off to a bumpy start this morning, where many of you have reported a number of challenges with the e-Tran platform, we've decided to postpone tomorrow's Town Hall call. The next session will be held next week, Tuesday, May 5. We are closely monitoring the situation and relaying information from our members to the House's Small Business Committee to highlight the challenges CDFIs, MDIs and community lenders are experiencing, particularly when SBA itself is making it easier for high volume lenders to submit batches of at least 5,000 loans.

We're documenting all these problems and need to hear from you. Please send a brief email to me or Jules Epstein-Hebert, Membership Engagement Manager, at **jhebert@inclusiv.org**, describing the specific problem you're encountering.

We're waiting to hear from the US Treasury Department about a call they'd like to do with the SBA and the CDFI Fund, specifically for CDFI credit unions. Stay tuned for that.

For next week's call we have a terrific line up of speakers. Don't miss it.
