Who Don't Usually File a Tax Return and Have Qualifying Children Need to Act by **May 5** to add **\$500 per child** to their **Economic Impact Payment**

Eligible Department of Veterans Affairs beneficiaries who don't usually file a tax return and have qualifying children have a limited window to register to add \$500 per qualifying child to their soon-to-be-received Economic Impact Payment.

Use the **Non-Filers tool** on IRS.gov by May 5 to add your children – if they're eligible – and get a single Economic Impact Payment.

The tool is available in English and Spanish.
